Comprehension: In the following passage, some words have been deleted. Fill in the blanks with the help of the alternatives given. Select the most appropriate option for each number. I went out and bought all sorts of small gifts and then headed to the more expensive outlets (1)_____ the mall. I picked up little things, things I knew my mother would (2)_____ I took them home and wrapped each one (3)_____ using all kinds of packing material. Then I made a card for each one. After doing that, I (4)_____ the gift off outside my mother's doorway and called her, pretending to (5)_____ about her health. She was bubbling over. She told me someone had left a gift for her and signed it 'Secret Santa'. SubQuestion No: 20 Q.20 Select the most appropriate word to fill in blank no. 5. Ans 1. request 2. enquire 3. examine 4. withhold Question ID : 8161614757 Status : Marked For Review Chosen Option : 2 Comprehension: Read the given passage and answer the questions that follow. The small Texas school that I went to had a tradition carried out every year during the eighthgrade graduation: a beautiful gold and green jacket (the school colours) was awarded to the student who had maintained the grade for eight years. The scholarship jacket – a beautiful gold and green jacket had a big gold S on the left front side and your name written in gold letters on the pocket. My oldest sister, Rosie, had won the jacket a few years back, and I fully expected to also. I had been a straight 'A' student since the first grade and in the eighth grade had looked forward very much to owning that jacket. My father was a farm labourer who couldn't earn enough money to feed eight children, so when I was six I was given to my grandparents to raise. We couldn't participate in sports at school because there were registration fees, uniform costs, and trips out of town; so, even though our family was quite agile and athletic there would never be a school sports jacket for us. This one, the scholarship jacket, was our only chance. Another hour of sweating in basketball was coming up and I was walking up to the gym. Then I remembered my P.E. shorts and I had to walk all the way back and get them. I was almost back at my classroom door when I heard voices raised in anger as if in some sort of argument. I recognised the voices: Mr. Schmidt, my history teacher, and Mr. Boone, my math teacher, seemed to be arguing about me. I heard them say 'Martha' and I couldn't believe it. "Martha has a straight A-plus average and you know it." That was Mr. Schmidt and he sounded very angry. "I refuse to do it! I don't care who Joann's father is, her grades don't even begin to compare to Martha's," he continued. My heart sank. SubQuestion No: 21 Q.21 Complete the following sentence. The school honoured the best student in eighth grade with: Ans 1. a gold and green jacket with a gold S 2. a green jacket with the name in green 3. a green jacket with a gold pocket 🗙 4. a golden jacket with an S in green Question ID : 8161614759 Status : Marked For Review Chosen Option : 1

Read the given passage and answer the questions that follow.

The small Texas school that I went to had a tradition carried out every year during the eighthgrade graduation: a beautiful gold and

green jacket (the school colours) was awarded to the student who had maintained the grade for eight years.

The scholarship jacket — a beautiful gold and green jacket had a big gold S on the left front side and your name written in gold letters on the pocket.

My oldest sister, Rosie, had won the jacket a few years back, and I fully expected to also. I had been a straight 'A' student since the first grade and in the eighth grade had looked forward very much to owning that jacket.

My father was a farm labourer who couldn't earn enough money to feed eight children, so when I was six I was given to my grandparents to raise. We couldn't participate in sports at school because there were registration fees, uniform costs, and trips out of town; so, even though our family was quite agile and athletic there would never be a school sports jacket for us. This one, the scholarship jacket, was our only chance.

Another hour of sweating in basketball was coming up and I was walking up to the gym. Then I remembered my P.E. shorts and I had to walk all the way back and get them. I was almost back at my classroom door when I heard voices raised in anger as if in some sort of argument.

I recognised the voices: Mr. Schmidt, my history teacher, and Mr. Boone, my math teacher, seemed to be arguing about me. I heard them say 'Martha' and I couldn't believe it. "Martha has a straight A-plus average and you know it." That was Mr. Schmidt and he sounded very angry. "I refuse to do it! I don't care who Joann's father is, her grades don't even begin to compare to Martha's," he continued. My heart sank.

Q.23 Which of the following statements are true?

a) Grandfather was a farm labourer

- b) Father couldn't earn enough money to feed eight
- c) The family could not pay for sports activities
- d) The family was small
- e) Martha was a bright student

Question ID : 8161614762 Status : Marked For Review Chosen Option : 2

Read the given passage and answer the questions that follow.

The small Texas school that I went to had a tradition carried out every year during the eighthgrade graduation: a beautiful gold and grade lacket (the school colours) was awarded to the student who had maintained the grade

green jacket (the school colours) was awarded to the student who had maintained the grade for eight years.

The scholarship jacket — a beautiful gold and green jacket had a big gold S on the left front side and your name written in gold letters on the pocket.

My oldest sister, Rosie, had won the jacket a few years back, and I fully expected to also. I had been a straight 'A' student since the first grade and in the eighth grade had looked forward very much to owning that jacket.

My father was a farm labourer who couldn't earn enough money to feed eight children, so when I was six I was given to my grandparents to raise. We couldn't participate in sports at school because there were registration fees, uniform costs, and trips out of town; so, even though our family was quite agile and athletic there would never be a school sports jacket for us. This one, the scholarship jacket, was our only chance.

Another hour of sweating in basketball was coming up and I was walking up to the gym. Then I remembered my P.E. shorts and I had to walk all the way back and get them. I was almost back at my classroom door when I heard voices raised in anger as if in some sort of argument.

I recognised the voices: Mr. Schmidt, my history teacher, and Mr. Boone, my math teacher, seemed to be arguing about me. I heard them say 'Martha' and I couldn't believe it. "Martha has a straight A-plus average and you know it." That was Mr. Schmidt and he sounded very angry. "I refuse to do it! I don't care who Joann's father is, her grades don't even begin to compare to Martha's," he continued. My heart sank.

SubQuestion No : 24

Q.24 The narrator says, "I looked forward very much to owning that jacket," because:

Ans X 1. it was a beautiful jacket

2. she had been an A grade student for 8 years

imes 3. she wanted to prove to her teachers that she was good

imes 4. the jacket had the school name on it

Question ID : 8161614761 Status : Marked For Review Chosen Option : 2

Read the given passage and answer the questions that follow.

The small Texas school that I went to had a tradition carried out every year during the eighthgrade graduation: a beautiful gold and green jacket (the school colours) was awarded to the student who had maintained the grade

for eight years. The scholarship jacket — a beautiful gold and green jacket had a big gold S on the left front side and your name written in gold letters on the pocket.

My oldest sister, Rosie, had won the jacket a few years back, and I fully expected to also. I had been a straight 'A' student since the first grade and in the eighth grade had looked forward very much to owning that jacket.

My father was a farm labourer who couldn't earn enough money to feed eight children, so when I was six I was given to my grandparents to raise. We couldn't participate in sports at school because there were registration fees, uniform costs, and trips out of town; so, even though our family was quite agile and athletic there would never be a school sports jacket for us. This one, the scholarship jacket, was our only chance.

Another hour of sweating in basketball was coming up and I was walking up to the gym. Then I remembered my P.E. shorts and I had to walk all the way back and get them. I was almost back at my classroom door when I heard voices raised in anger as if in some sort of argument.

I recognised the voices: Mr. Schmidt, my history teacher, and Mr. Boone, my math teacher, seemed to be arguing about me. I heard them say 'Martha' and I couldn't believe it. "Martha has a straight A-plus average and you know it." That was Mr. Schmidt and he sounded very angry. "I refuse to do it! I don't care who Joann's father is, her grades don't even begin to compare to Martha's," he continued. My heart sank.

SubQuestion No: 25

Q.25 The narrator's 'heart sank'. She was worried because:

Ans X 1. they were both arguing about her performance in sports

2. Mr. Schmidt, the history teacher, was having to defend her though she was the best student

ig X 3. she heard Mr. Boone say that her grades were not good

imes 4. Mr. Boone, the math teacher was arguing in her favour
