## 100 Questions

---

**Que. 1** Directions: In the following question, some part of the sentence may have an error. Find out which part of the sentence has an error and select the appropriate option. If a sentence is free from errors, select option 'No error'.

We interviewed fourteen (A)/ applicants for (B)/ the post, none (C)/ of who we thought suitable. (D)/ No error(E)/

1. A
2. B
3. C
4. D
5. E

Correct Option - 4

---

**Que. 2** Directions: In the following question, some part of the sentence may have an error. Find out which part of the sentence has an error and select the appropriate option. If a sentence is free from errors, select the option 'No error'.

We got fewer (A)/ dollars this week (B)/ because the drop (C)/ in the exchange rate. (D)/ No error (E)

1. A
2. B
3. C
4. D
5. E

Correct Option - 3

---

**Que. 3** Directions: In the following question, some part of the sentence may have an error. Find out which part of the sentence has an error and select the appropriate option. If a sentence is free from errors, select option 'No error'.

They are sending /(A) the new consignment /(B) over for /(C) Tom and I to check. /(D) No error /(E)

1. A
2. B
3. C
4. D
5. E

Correct Option - 4

---

**Que. 4** Directions: In the following question, some part of the sentence may have an error. Find out which part of the sentence has an error and select the appropriate option. If a sentence is free from errors, select option 'No error'.

Either my brother (A)/ or my parents is (B)/ going to bring (C)/ the sleeping bags. (D)/ No error(E)

1. A
2. B
3. C
4. D
5. E

Correct Option - 2

---

**Que. 5** Directions: In the following question, some part of the sentence may have an error. Find out which part of the sentence has an error and select the appropriate option. If a sentence is free from errors, select option 'No error'.

Both the doctor and the (A)/ surgeon has advised (B)/ me to have (C)/ my gall bladder out. (D)/ No error (E)

1. A
2. B
3. C
4. D
5. E

Correct Option - 2

---

**Que. 6** The given question has one blank indicating that something has been omitted. Choose the word from the given options that could fit in the blank correctly.

The little girl chained herself to the tree as a form of peaceful protest against \_\_\_\_\_.

1. Illusion
2. Deforestation
3. Plantation
4. Trafficking
5. Consumption

Correct Option - 2

---

**Que. 7** The given question has one blank indicating that something has been omitted. Choose the word from the given options that could fit in the blank correctly.

The bank robbers planned the \_\_\_\_\_ with the utmost precision but no one could have expected what happened.

1. Heist
2. Poaching
3. Kidnapping
4. Sacrifice
5. Ultimatum

Correct Option - 1

---

**Que. 8** The given question has one blank indicating that something has been omitted. Choose the word from the given options that could fit in the blank correctly.

Casey had been having recurring \_\_\_\_\_ for 3 nights in a row and she was extremely scared.

1. Jokes
2. Paranormal
3. Daydreams
4. Nightmares
5. Dreams

Correct Option - 4

---

**Que. 9** The given question has one blank indicating that something has been omitted. Choose the word from the given options that could fit in the blank correctly.

The researches were provided with a hefty grant to study magnetic fields in the \_\_\_\_\_ cold of Antarctica.

1. Scorching
2. Flooded
3. Formative
4. Primitive
5. Sub-Zero

Correct Option - 5

---

**Que. 10** The given question has one blank indicating that something has been omitted. Choose the word from the given options that could fit in the blank correctly.

The lions and cheetahs poached from the \_\_\_\_\_ were enclosed in tiny spaces and transported.

1. Sanctuary
2. Aquarium
3. North Pole
4. Pandemic
5. Podium

Correct Option - 1

---

**Que. 11** A sentence/a part of the sentence is underlined. Five alternatives are given to the underlined part which will improve the meaning of the sentence. Choose the correct alternative. In case no improvement is needed, click the option corresponding to "No improvement".

The plastic has to be compatible of the body tissues that make contact with it.

1. Compatible with
2. Compatible at
3. Compatible

4. Compatible by
5. No Improvement

Correct Option - 1

---

**Que. 12** A sentence/a part of the sentence is underlined. Five alternatives are given to the underlined part which will improve the meaning of the sentence. Choose the correct alternative. In case no improvement is needed, click the option corresponding to "No improvement".

If either parent has the disease, there is a much higher chance that the child will develop it.

1. If neither parent has the disease
2. If or not either parent has the disease
3. Whether either parent has the disease
4. If either parent have the disease
5. No improvement

Correct Option - 5

---

**Que. 13** A sentence/a part of the sentence is underlined. Five alternatives are given to the underlined part which will improve the meaning of the sentence. Choose the correct alternative. In case no improvement is needed, click the option corresponding to "No improvement".

The parents are not afraid to be firm about those matters that seems important to them.

1. these matters that seems
2. those matters that seem
3. those matter that seem
4. these matter who seems
5. No Improvement

Correct Option - 2

---

**Que. 14** A sentence/a part of the sentence is underlined. Five alternatives are given to the underlined part which will improve the meaning of the sentence. Choose the correct alternative. In case no improvement is needed, click the option corresponding to "No improvement".

The astonishing waiter was now watching from the other end of the room.

1. The astonished waiter
2. The waiter astonishing
3. The astonishes waiter
4. The waiter astonished
5. No improvement

Correct Option - 1

---

**Que. 15** A sentence/a part of the sentence is underlined. Five alternatives are given to the underlined part which will improve the meaning of the sentence. Choose the correct alternative. In case no

**improvement is needed, click the option corresponding to "No improvement".**

Psychosis is also part of this debate, even although problems arising from it affect a relatively small number of people.

1. even though problems arising
2. even problems arising
3. even but problems arising
4. even so problems arising
5. No improvement

Correct Option - 1

---

**Que. 16** Below in each question some sentences are given, find the sentence which is not really contributing to the main theme and that of the passage or find the odd sentence out and rearrange the remaining sentences to make a coherent paragraph. If none of the options is correct as it is then choose option (E). If the sequence is the one which is not given, then choose option (D) as your choice.

(A)The demand for gold is falling/ (B) and the metal's fading appeal / (C) partly as a result of government measures, higher local prices/ (D) among more youthful customers/(E) thus available in India.

1. AEBD
2. ACBD
3. ABDE
4. None of the above
5. No improvements required.

Correct Option - 2

---

**Que. 17** Below in each question some sentences are given, find the sentence which is not really contributing to the main theme and that of the passage or find the odd sentence out and rearrange the remaining sentences to make a coherent paragraph. If none of the options is correct as it is then choose option (E). If the sequence is the one which is not given, then choose option (D) as your choice.

(A)The U.S. government is concerned about India's revised/ (B) plans of Amazon.com and Walmart Inc / (C)e-commerce regulations and has told that the/ (D) the budget highlights/ (E) policy will hinder the Indian investment.

1. ABDE
2. ACBD
3. ACEB
4. None of the above.
5. No improvements required.

Correct Option - 3

---

**Que. 18** Below in each question some sentences are given, find the sentence which is not really contributing to the main theme and that of the passage or find the odd sentence out and rearrange the remaining sentences to make a coherent paragraph. If none of the options is correct as it is then choose option (E). If the sequence is the one which is not given, then choose option (D) as your choice.

(A) and public statements of support for the comedian/ (B) these prompted a social media campaign/ (C) from the likes of Katy Perry, Kevin Hart, Alec Baldwin and Ashton Kutcher/ (D) at the party/ (E) calling for her replacement.

1. AEBD
2. ABDE
3. BEAC
4. None of the above.
5. No improvements required.

Correct Option - 3

---

**Que. 19** **Directions:** Read the passage given below and answer the following questions:

Many observational and epidemiological studies have shown a connection between obesity and sleep deprivation in Americans. Alarming, 28% of American adults sleep less than six hours a night. One common reason for this connection is that sleep **restriction** affects the regulation of appetite hormones like ghrelin and leptin. Energy balance is tightly regulated by a hormonal system, involving ghrelin and leptin, which conveys information from the body to brain centers that control energy intake and expenditure. Restricted sleep is thought to increase ghrelin and decrease leptin, which **promotes** hunger. Sleep restriction is also thought to increase cortisol release, increasing eating behavior. Another proposed mechanism is that people, who stay awake longer, are exposed to a higher energy intake, specifically by snacking. Nevertheless, these explanations have been questioned.

The effect of neuronal activity on food stimuli, an increase in energy intake, and the effect on energy expenditure will be reviewed in relation to sleep deprivation and obesity. In one study published in The American Journal of Clinical Nutrition, researchers examined the effect on brain response to food stimuli in habitual and restricted sleep normal-weight individuals. The neuronal pattern found in the restricted sleep group was similar to one that would occur when the body is at low body weight and is trying to restore body stores. This study **concluded** that the restricted sleep group had a greater food intake and greater brain stimuli to areas that are linked with motivation and desire. The stimulated brain areas were the orbitofrontal cortex, insula, thalamus, precuneus, cingulate, gyrus, and supramarginal gyrus. With food being widely accessible, this could be one reason associated with weight gain during sleep restriction. However, studies have shown that there are differences between brain responses to satiety and food stimulation in obese and lean individuals. Further research needs to be conducted to see if sleep restriction affects this difference.

What is the opposite of the word **restriction**?

1. Curtail
2. Stringent
3. Liberation
4. Curb
5. Impede

Correct Option - 3

---

**Que. 20** Choose the correct synonym of the word **promote**.

1. Obstruct
2. Calibrate

3. Digress
4. Advocate
5. Demote

Correct Option - 4

---

**Que. 21** Choose the correct synonym for the word **Conclude**.

1. Commence
2. Afresh
3. Ongoing
4. Start
5. Culminate

Correct Option - 5

---

**Que. 22** Restricted sleep is thought to:

1. Increase leptin to make one active
2. Provide a huge surge in energy
3. Decrease ghrelin in the brain
4. Lower leptin and make one hungry
5. Promotes more food stimuli

Correct Option - 4

---

**Que. 23** Which of the following statement is **true** as per the passage?

1. People who stay awake take in low energy.
2. A major portion of American adults sleep eight hours a day.
3. Neuronal patterns during less sleep are similar to the ones while having low body weight.
4. High calorie intakes at night without sleeping helps productivity.
5. None of the above.

Correct Option - 3

---

**Que. 24** The hormones ghrelin and leptin are responsible for the regulation of?

1. The amount of food we eat.
2. The energy balance in the body.
3. Brain responses to our memories.
4. Much needed sleep cycles.
5. All of the above.

Correct Option - 2

---

**Que. 25** Sleep restriction is thought to increase which hormone?

1. Cingulate
2. Leptin
3. Cortisol
4. Cholesterol
5. Precuneus

Correct Option - 3

---

**Que. 26** The restricted sleep group had greater brain stimuli linked to:

1. Desire and Motivation
2. Responses and Reaction
3. Energy expenditure
4. General awareness and sensitivity
5. None of the above

Correct Option - 1

---

**Que. 27** **Directions:** In the following question, a sentence is given with four words marked as (A), (B), (C) and (D). These words may or may not be placed in their correct order. Four options with different arrangements of these words have been provided. Mark the option with the correct arrangement as the answer. If no rearrangement is required, mark option (5) as your answer.

An **brought** (A) kitten was **abandoned** (B) to the **veterinarian** (C) after it was hit by a truck and **broke** (D) its leg.

1. A-C
2. C-D
3. A-B
4. D-B
5. No Rearrangement

Correct Option - 3

---

**Que. 28** **Directions:** In each of the questions given below, four words are given in bold. These four words may or may not be in their correct position. The sentence is then followed by options with the correct combination of words that should replace each other in order to make the sentence grammatically and contextually correct. Find the correct combination of words that replace each other. If the sentence is correct as it is, select '5' as your option.

News **responsibility** (A) have a **channels** (B) to **make** (C) sure that the information to give the **public** (D) is true.

1. A-C and B-D
2. B-D
3. D-A and B-C
4. B-A

5. No Rearrangement

Correct Option - 4

---

**Que. 29** In each of the questions given below, four words are given in bold. These four words may or may not be in their correct position. The sentence is then followed by options with the correct combination of words that should replace each other in order to make the sentence grammatically and contextually correct. Find the correct combination of words that replace each other. If the sentence is correct as it is, select '5' as your option.

Lucky (A) has dreams, (B) but not everyone is everyone (C) to have their dreams realized (D).

1. C-D and A-B
2. A-C
3. D-B
4. B-D and C-A
5. No Rearrangement

Correct Option - 2

---

**Que. 30** In each of the questions given below, four words are given in bold. These four words may or may not be in their correct position. The sentence is then followed by options with the correct combination of words that should replace each other in order to make the sentence grammatically and contextually correct. Find the correct combination of words that replace each other. If the sentence is correct as it is, select '5' as your option.

Since (A) she could not decided (B) a visit to the salon, (C) she afford (D) to cut her own hair.

1. A-C and B-D
2. D-B
3. A-D and B-C
4. A-C
5. No Rearrangement

Correct Option - 2

---

**Que. 31** In a mixture, the initial ratio of A and B is 1 : 4, If 25% of the mixture is taken out and 20 litres of B is added, then the amount of B becomes 44 litres then find the initial amount of A.

1. 8 litre
2. 6 litre
3. 5 litre
4. 4 litre
5. None of these

Correct Option - 1

---

**Que. 32** A and B start a business by investing a capital Rs. 3000 and Rs. 2000. After 6 months, C joins the business with the capital of Rs. 5000 and A doubles its investment. If their profit is Rs. 36000 after one

year, then find the difference between the profit of A and C.

1. Rs. 10,000
2. Rs. 18,000
3. Rs. 24,000
4. Rs. 8,000
5. Rs. 9,000

Correct Option - 4

---

**Que. 33** The cost price of the two articles A and B are Rs. 500 and Rs. 600 respectively. If both the articles were sold at the same price and the profit earned by both the articles were  $2x\%$  and  $x\%$  respectively, then find the selling price article A.

1. Rs. 550
2. Rs. 650
3. Rs. 750
4. Rs. 850
5. Rs. 950

Correct Option - 3

---

**Que. 34** What value should come in place of question mark(?) in the question?

$$\sqrt{289} + \sqrt{361} - \sqrt{225} = ?$$

1. 17
2. 21
3. 19
4. 23
5. 15

Correct Option - 2

---

**Que. 35** What value should come in place of question mark(?) in the question?

$$25\% \text{ of } 240 + 50 = ?$$

1. 100
2. 110
3. 80
4. 120
5. 90

Correct Option - 2

---

**Que. 36** What value should come in place of question mark(?) in the question?

$$17 \times 6 - 30\% \text{ of } ? = 42$$

1. 100
2. -100
3. 200
4. -200
5. 50

Correct Option - 3

---

**Que. 37** What value should come in place of question mark(?) in the question?

$$11 \times (-4) + 189 \div 7 = ?$$

1. 8
2. 12
3. -8
4. -17
5. 17

Correct Option - 4

---

**Que. 38** What value should come in place of question mark(?) in the question?

$$60\% \text{ of } 500 \div 0.25 + \sqrt{169} = ?$$

1. 1162
2. 1262
3. 1194
4. 1213
5. 1254

Correct Option - 4

---

**Que. 39** What value should come in place of question mark(?) in the question?

$$2/3 \text{ of } (15 - 6) - (-9) = ?$$

1. 3
2. -3
3. -15
4. -12
5. 15

Correct Option - 5

---

**Que. 40** What should come in place of question mark (?) in the following question?

$$40\% \text{ of } 1500 - 276 = (?)^2$$

1. 22
2. 12
3. 18
4. 8
5. 20

Correct Option - 3

---

**Que. 41** What value should come in place of question mark(?) in the question?

$$\sqrt{43 + \sqrt{33 + \sqrt{4 + \sqrt{25}}}} = ?$$

1. 12
2. -9
3. 7
4. 11
5. -6

Correct Option - 3

---

**Que. 42** What value should come in place of question mark(?) in the question?

$$12 \times 2 - \sqrt{25} + 6 = ?$$

1. 25
2. 35
3. 12
4. 6
5. 15

Correct Option - 1

---

**Que. 43** What will come in the place of the question mark '?' in the following question?

$$0.25 \times ? + 121 \div 11 = 111$$

1. 350
2. 450
3. 420
4. 400
5. 500

Correct Option - 4

---

**Que. 44** What value should come in place of question mark(?) in the question?

$$\sqrt{144} + \sqrt{36} - 15 = ?$$

1. 1
2. 3
3. 8
4. 9
5. 11

Correct Option - 2

---

**Que. 45** What will come in the place of the question mark '?' in the following question?

$$25\% \text{ of } 48 + 9 \times 11 - ? + 44 = 3$$

1. 152
2. 140
3. 150
4. 160
5. 170

Correct Option - 1

---

**Que. 46** What value should come in place of question mark(?) in the question?

$$(2 \div 5 \div 7) \times 14 + 112 = ?$$

1. 110
2. 109.5
3. 112.8
4. 115
5. 120.6

Correct Option - 3

---

**Que. 47** What value should come in place of question mark(?) in the question?

$$25\% \text{ of } 480 + 200 + ? = 800$$

1. 360
2. 520
3. 240
4. 480
5. 500

Correct Option - 4

---

**Que. 48** A starts a business with the investment of Rs.10,000. After 4 months, B invests Rs. 20,000 and A also doubles his investment. If after one year, the total profit is Rs.45000, then find the share of A in the total profit.

1. Rs. 25,000

2. Rs. 20,000
3. Rs. 30,000
4. Rs. 15,000
5. Rs. 23,000

Correct Option - 1

---

**Que. 49** Two years hence, the ages of A and B are in the ratio of 3 : 4 and 8 years ago the ratio of ages of A and B were in the ratio of 2 : 3. Find the present age of A.

1. 28 years
2. 30 years
3. 24 years
4. 38 years
5. 26 years

Correct Option - 1

---

**Que. 50** The ratio of time taken by A, B and C to complete a work alone is 4 : 6 : 3. If they together complete a work in 8 days, then in how many days A will complete  $\frac{3}{4}$ th of the work?

1. 9 days
2. 18 days
3. 27 days
4. 13 days
5. None of the above

Correct Option - 2

---

**Que. 51** In the given question, two equations numbered I and II are given. You have to solve both the equations and mark the appropriate answer-

I.  $x^2 = 4$

II.  $y^2 - 6y + 8 = 0$

1.  $x > y$
2.  $x \geq y$
3.  $x < y$
4.  $x \leq y$
5.  $x = y$  or the relation cannot be determined

Correct Option - 4

---

**Que. 52** In the given question, two equations numbered I and II are given. You have to solve both the equations and mark the appropriate answer-

I.  $x^2 + 10x + 21 = 0$

II.  $y^2 + 11y + 28 = 0$

1.  $x > y$
2.  $x \geq y$
3.  $x < y$
4.  $x \leq y$
5.  $x = y$  or the relation cannot be determined

Correct Option - 5

---

**Que. 53** In the given question, two equations numbered I and II are given. You have to solve both the equations and mark the appropriate answer-

I.  $2x^2 - 19x + 44 = 0$

II.  $y^2 - 17y + 72 = 0$

1.  $x > y$
2.  $x \geq y$
3.  $x < y$
4.  $x \leq y$
5.  $x = y$  or the relation cannot be determined

Correct Option - 3

---

**Que. 54** In the given question, two equations numbered I and II are given. Solve both the equations and mark the appropriate answer.

I.  $3x^2 - 4x + 1 = 0$

II.  $2y^2 - 5y + 3 = 0$

1.  $x > y$
2.  $x < y$
3.  $x \geq y$
4.  $x \leq y$
5.  $x = y$  or the relationship between  $x$  and  $y$  cannot be established.

Correct Option - 4

---

**Que. 55** In the given question, two equations numbered I and II are given. Solve both the equations and mark the appropriate answer.

I.  $x^2 + 2x - 15 = 0$

II.  $y^2 + 9y + 20 = 0$

1.  $y > x$
2.  $y < x$
3.  $y \leq x$
4.  $y \geq x$
5.  $x = y$  or the relationship between  $x$  and  $y$  cannot be established.

Correct Option - 5

---

**Que. 56** Train A running at the speed of 30 km/h can cross another train B running in opposite direction in 20 seconds. Find the speed of train B if sum of length of both trains is 600 m.

1. 72 km/h
2. 70 km/h
3. 60 km/h
4. 78 km/h
5. None of these

Correct Option - 4

---

**Que. 57** If the speed of the boat in still water is 9 km/h and the downstream speed is 6 km/h more than the upstream speed. Then find the distance covered by boat in 5 hours 20 min. downstream.

1. 56 km
2. 64 km
3. 48 km
4. 64.5 km
5. 48.7 km

Correct Option - 2

---

**Que. 58** The sum of the all the sides of a square and the perimeter of a rectangle is 208 cm. If the perimeter of the rectangle is 164 cm, then find the length of the side of the square.

1. 8 cm
2. 11 cm
3. 15 cm
4. 6 cm
5. 21 cm

Correct Option - 2

---

**Que. 59** A person spends 10% of his income on medical, 20% of his income spend on traveling, and the rest of his income spend on others. If the expenditure on others is Rs. 3500 then, find the total income?

1. Rs. 6000
2. Rs. 4000
3. Rs. 4500
4. Rs. 5000
5. None of these

Correct Option - 4

---

**Que. 60** A person invests a sum of money in the two banks for 1 year in the ratio of 2 : 3 at 10% and 20% rate of interest respectively. If the interest earned in the second part of the amount is 6000 then what is the interest in the first part of the amount.

1. Rs. 2,000
2. Rs. 3000
3. Rs. 1500
4. Rs. 2500
5. None of these

Correct Option - 1

**Que. 61** **Direction:** Based on the given line graph answer the following question given below:  
The following line graph shows the number of photos and videos clicked by 5 persons in 2019.

**Number of photos and videos clicked**

Find the total number of photos and videos clicked by all the five persons.

1. 124
2. 146
3. 134
4. 136
5. 138

Correct Option - 3

**Que. 62** If R clicked the number of photos and videos in the ratio of 9 : 7 then find the number of videos clicked by R.

1. 18
2. 16
3. 20
4. 12

5. 14

Correct Option - 5

---

**Que. 63** Find the number of photos and videos clicked by S is how much more or less than the photos and videos clicked by T.

1. 40% more
2. 60% more
3. 60% less
4. 40% less
5. 80% more

Correct Option - 5

---

**Que. 64** Find the ratio between the average number of photos and videos clicked by P and S together to the average number of photos and videos clicked by Q and R together.

1. 11 : 5
2. 7 : 9
3. 7 : 5
4. 10 : 9
5. 8 : 5

Correct Option - 4

---

**Que. 65** If the next year R clicked 12 more photos and S clicked 8 more videos then find the ratio of total number of photos and videos clicked by R and S.

1. 1 : 1
2. 7 : 9
3. 2 : 3
4. 3 : 2
5. 5 : 6

Correct Option - 1

---

**Que. 66** **Directions:-** In the following question assuming the given statement to be true, find which of the conclusions among the given conclusions is / are definitely true and then give your answer accordingly.

**Statements:**  $P \geq R < S < T < E = F$

**Conclusions:**

I.  $S \geq E$

II.  $F > R$

1. Only conclusion I follows
2. Only conclusion II follows
3. Either I or II follows

- Neither conclusion I nor II follows
- Both I and II are follow

Correct Option - 2

---

**Que. 67** **Directions:-** In the following question assuming the given statement to be true, find which of the conclusions among the given conclusions is / are definitely true and then give your answer accordingly.

**Statements:**  $X = Y \geq Z > P \geq Q < S$

**Conclusions:**

- $Z < S$
- $Y \geq Q$

- Only conclusion I is follows
- Only conclusion II is follows
- Either I or II follows
- Neither I not II follows
- Both conclusions I and II follow

Correct Option - 4

---

**Que. 68** **Directions:-** In the following question assuming the given statement to be true, find which of the conclusions among the given conclusions is / are definitely true and then give your answer accordingly.

**Statements:**  $P \leq Q < R > S \geq U < X$

**Conclusions:**

- $P < R$
- $Q < X$

- Only conclusion I follows
- Only conclusion II follows
- Either I or II follows
- Neither I nor II is follows
- Both conclusions I and II follow

Correct Option - 1

---

**Que. 69** **Directions:** Study the following given information carefully and answer the questions.

Eight persons A, B, C, D, E, F, G and H are purchasing some items for the different occasions but not necessarily in the same order. Two persons purchase items between A and D. Only one person purchase item between H and G, who purchases just after D. Only one person purchases between F and B where, F purchases before B. Only three persons purchase after G. The number of people who purchase before C and after F are the same.

Who among the following purchases just after C?

- B
- A

3. D
4. E
5. F

Correct Option - 3

---

**Que. 70** How many people purchase items between E and H?

1. Three
2. Four
3. Two
4. Five
5. One

Correct Option - 2

---

**Que. 71** Who among the following people bought the item first?

1. H
2. E
3. D
4. A
5. G

Correct Option - 4

---

**Que. 72** How many persons purchase after E?

1. Five
2. Six
3. Seven
4. Three
5. Four

Correct Option - 2

---

**Que. 73** Choose the incorrect pair:

1. AE
2. DG
3. DC
4. FH
5. EC

Correct Option - 3

---

**Que. 74** **Direction:** Read the following information carefully and answer the given questions given below:

9 2 7 5 2 1 3 9 8 6 4 1 3 6 4 7 8 2 1 5 9 7 6 3 2 1 4 8 5 2 9 7 3 1 7 6

If all the even numbers are removed from the above series, which number will be 17<sup>th</sup> from the left end?

1. 3
2. 7
3. 5
4. 9
5. 1

Correct Option - 4

---

**Que. 75** How many odd numbers are there between the 7<sup>th</sup> number from the right end and the 14<sup>th</sup> number from the left end?

1. 5
2. 8
3. 9
4. 10
5. 6

Correct Option - 2

---

**Que. 76** Which of the following numbers comes exactly in between the numbers of 16<sup>th</sup> from the right end and 19<sup>th</sup> from the left end?

1. 1
2. 9
3. 7
4. 6
5. 5

Correct Option - 5

---

**Que. 77** **Directions:** Read the following information carefully and answer the questions given below.

Eight persons A, B, C, D, E, F, G, and H were born on the same day of the same month but in different years which are 1951, 1955, 1963, 1976, 1985, 1997, 2001, and 2004. All their ages are to be considered from the base year i.e. 2020.

The difference between the age of A and B is twice the age of B. Difference between the age of B and D is 4 years. The age of E is not less than G's age and he is 9 years older than H. Difference between the age of C and F is not more than 5 years.

Who is the second youngest person?

1. C
2. B
3. F
4. G
5. Either A or C

Correct Option - 2

---

**Que. 78** What is the difference between the age of A and G?

1. 31 years
2. 53 years
3. 41 years
4. 28 years
5. 7 years

Correct Option - 3

---

**Que. 79** Whose ages are the prime numbers?

1. B and H
2. C and F
3. B and D
4. Only D
5. B and C

Correct Option - 3

---

**Que. 80** If C is the oldest person then who among the following is just younger to F?

1. E
2. A
3. G
4. B
5. C

Correct Option - 2

---

**Que. 81** Which of the following statements is not correct according to the arrangement?

1. D was born in an odd year
2. H is 16 years older than B
3. Three people born between A and B
4. B was born in year 1997

5. A is younger than C

Correct Option - 4

---

**Que. 82** If in the word 'SOFTWARE', all the vowels are first arranged alphabetically and then all the consonants are arranged alphabetically and then all the vowels are replaced by the next letters and the consonants are replaced by the previous letters from English alphabet. Which letter will be fourth from the left end?

1. E
2. P
3. Q
4. R
5. F

Correct Option - 1

---

**Que. 83** **Directions:** Read the instructions carefully and answer the question below.

There are Five persons – A, B, C, D and E. They have different weights and total weight is 160. The weight of the second heaviest person is 35 kg and the weight of the second lightest person is 28 kg. Sum of the weight of A and B is 52 kg and A is lighter than B. Sum of the weight of C and D is 63 kg and C is heavier than D. D is the second lightest person. A is the lightest person and his weight is 22 kg.

What will be the weight of E?

1. 34
2. 56
3. 54
4. 45
5. 22

Correct Option - 4

---

**Que. 84** Who is the third lightest person?

1. E
2. B
3. A
4. C
5. D

Correct Option - 2

---

**Que. 85** What is the possible weight of C?

1. 46

2. 54
3. 35
4. 39
5. 28

Correct Option - 3

---

**Que. 86** **Direction:** In each of the questions below are given three statements followed by two conclusions. You have to take the given statements to be true even if they seem to be at variance with commonly known facts. Read all the conclusions and then decide which of the given conclusions logically follows from the given statements disregarding commonly known facts.

**Statements:**

Some slippers are sandals.

All shoes are pillows.

Only a few pillows are sandals.

**Conclusions:**

I. Some pillows are not sandals.

II. At Least some shoes are slippers.

1. Only I follows
2. Only II follows
3. Either I or II follows
4. Neither I nor II follows
5. Both I and II follow

Correct Option - 1

---

**Que. 87** **Direction:** In each of the questions below are given three statements followed by two conclusions. You have to take the given statements to be true even if they seem to be at variance with commonly known facts. Read all the conclusions and then decide which of the given conclusions logically follows from the given statements disregarding commonly known facts.

**Statements:**

All keys are tattoo.

Only a few wires are desk.

Some keys are not desk.

**Conclusions:**

I. Some keys are not wire.

II. Few wires can be tattoo.

1. Only I follows
2. Only II follows
3. Either I or II follows
4. Neither I nor II follows
5. Both I and II follow

Correct Option - 2

---

**Que. 88** **Direction:** In each of the questions below are given three statements followed by two conclusions. You have to take the given statements to be true even if they seem to be at variance with commonly known facts. Read all the conclusions and then decide which of the given conclusions logically follows from the given statements disregarding commonly known facts.

**Statements:**

All pens are boxes.

Only a few boxes are bats.

All tables are boxes.

**Conclusions:**

I. Few tables are bat.

II. Some bats are not pens.

1. Only I follows
2. Only II follows
3. Either I or II follows
4. Neither I nor II follows
5. Both I and II follow

Correct Option - 4

---

**Que. 89** **Direction:** In each of the questions below are given three statements followed by two conclusions. You have to take the given statements to be true even if they seem to be at variance with commonly known facts. Read all the conclusions and then decide which of the given conclusions logically follows from the given statements disregarding commonly known facts.

**Statements:**

Some chapatis are parathas.

Some chargers are mobile.

Only a few chapatis are mobile.

**Conclusions:**

I. Some chapatis are not chargers.

II. All chapatis can be parathas.

1. Only I follows
2. Only II follows
3. Either I or II follows
4. Neither I nor II follows
5. Both I and II follow

Correct Option - 2

---

**Que. 90**

**Direction:** Read the given information carefully and answer the questions given below:

Eight family members Raja, Anita, Komal, Simran, Mohit, Arpit, Pratima and Neha, have their birthday on either 4<sup>th</sup> or 23<sup>rd</sup> of four different months among April, May, June and July but not necessarily in the same order.

Komal has a birthday on the 23<sup>rd</sup> of the month of 30 days. As many people have birthdays before Pratima as after Simran. Neha and Arpit have their birthday in the same month having 31<sup>st</sup> days but not in May. Two people have birthdays between Komal and Raja. Mohit has a birthday before Anita. Anita does not have a birthday in May. Neha having birthday before Arpit. Simran having Birthday in the Month of June.

Who has a birthday on 23<sup>rd</sup> June?

1. Anita
2. Komal
3. Pratima
4. Arpit
5. None of these

Correct Option - 2

---

**Que. 91**

Who among the following has a birthday between 23<sup>rd</sup> May and 4<sup>th</sup> July?

1. Pratima
2. Komal
3. Arpit
4. Both Pratima and Komal
5. Both Komal and Arpit

Correct Option - 2

---

**Que. 92**

How many people have their birthday between Anita and Neha?

1. Two
2. Three
3. Four
4. One
5. None

Correct Option - 3

---

**Que. 93** On which date Raja has his birthday?

1. 4<sup>th</sup> April
2. 23<sup>rd</sup> July
3. 4<sup>th</sup> June
4. 23<sup>rd</sup> May
5. 4<sup>th</sup> May

Correct Option - 5

---

**Que. 94** How many persons have their birthday before Neha?

1. 2
2. 4
3. 1
4. 6
5. 7

Correct Option - 4

---

**Que. 95** How many pairs of letters are there in the word "CASHEWNUT" that have the same number of letters between them in the word (in both forward and backward directions), as they have in the English alphabetical series?

1. Three
2. One
3. Four
4. Two
5. More than three

Correct Option - 1

---

**Que. 96** **Directions:** Read the information carefully and answer the question given below.

Eight persons A, B, C, D, E, F, G and H are living in an eight floor building but not necessarily in the same order. The lowermost floor is 1 and the topmost floor is 8.

G lives on an odd numbered floor and only one person lives between G and E. F lives on the topmost floor. Two persons lives between F and D. Number of persons below C is equal to the number of persons above A. G lives below the floor of D but not immediately below D. E does not live on the lowermost floor. A and B both live above D.

Who lives on the second floor?

1. A
2. F
3. C

4. E
5. H

Correct Option - 3

---

**Que. 97** Who lives immediately above H?

1. C
2. D
3. G
4. B
5. A

Correct Option - 2

---

**Que. 98** Who lives on lowermost floor?

1. C
2. D
3. G
4. E
5. A

Correct Option - 3

---

**Que. 99** Four of the five are alike in a certain way hence form a group. Find which one of the following does not belong to this group?

1. C
2. B
3. H
4. F
5. G

Correct Option - 5

---

**Que. 100** How many persons live above G?

1. Seven
2. Six
3. Four
4. Five
5. Two

Correct Option - 1
