in the box

In words

Signature of the
Invigilator

To mark Answer use **Black Ball-Point Pen** only.

Candidates must read all the instructions carefully before writing the answers.

You are to mark your answer on Answer-Sheet only. After the examination is over, handover the original Answer-Sheet to the Invigilator.

IMPORTANT INSTRUCTIONS

1. Answer **all** questions. **All** questions carry equal marks. OMR Answer Sheets are kept inside the Question Booklet.
2. The Candidate should indicate the correct Roll Number, Subject and Subject Code on the Answer-Sheet, otherwise the Answer-Sheet will not be evaluated and the candidate will be solely responsible for it.
3. **This Test Booklet contains 150 questions.** Each question has **four (4)** options which are given below the questions. Only one option is correct out of four. You are required to darken the circle corresponding to the alternative which you consider to be the correct or most appropriate answer in the Answer-Sheet by **Black Ball-Point Pen**.
4. Do not write anything on the cover page of the Test Booklet except Roll Number. Use the space for rough work given in the last two pages of Test Booklet.
5. If you happen to find that the Booklet/OMR Answer Sheet issued to you does not have all the pages properly printed or it has any other deficiency, then you need to approach the Invigilator to get another Booklet with OMR Answer-Sheet of same Series and Code.
6. **Penalty for wrong answers :**
THERE WILL BE PENALTY FOR WRONG ANSWERS MARKED BY A CANDIDATE IN THE ANSWER SHEET.
 - (i) There are four alternatives for the answer to every question. For each question for which a wrong answer has been given by the candidate, **one-third** of the marks assigned to that question will be deducted as penalty.
 - (ii) If a candidate gives more than one answer, it will be treated as a **wrong answer** even if one of the given answers happens to be correct and there will be same penalty as above to that question.
 - (iii) If a question is left blank, i.e., no answer is given by the candidate, there will be **no penalty** for that question.

DO NOT OPEN THIS TEST BOOKLET UNTIL YOU ARE TOLD TO DO SO.
