The 36-year-old is expected to miss the remainder of the current season after breaking his leg in a skiing accident. Though perhaps not the keeper he once was, Neuer's loss is not ideal for a club with consistently high aspirations, winning the Champions League among them.

Bayern's goalkeeper situation was a frequent news topic over the holidays, with the defending league champions linked with various big names before eventually recruiting Yann Sommer from Borussia Mönchengladbach—the Swiss goalkeeper has signed a contract until June 2025.

"Yann Sommer is a valuable addition for us because he has a wealth of international experience and has already played in the Bundesliga for many years," Bayern CEO and former goalkeeper Oliver Kahn said as part of a club statement.
