1. Job Description: Full Stack Developer (React Native)

Job Summary:

The Full Stack Developer will be responsible for the end-to-end development, maintenance, and enhancement of the Poshan Tracker mobile application. The role requires strong technical skills in React Native, API integration, mobile database management, and secure coding practices. The position involves close coordination with technical, functional, and quality assurance teams to support a national-level digital platform.

Roles and Responsibilities:

- The developer will design and develop mobile application modules using React Native and ensure cross-platform compatibility.
- They will implement responsive UI components, manage state effectively, and integrate RESTful APIs. The role includes mobile development that works in offline mode of using respective technology.
- The developer will participate in code reviews, debugging, performance tuning, and release management.
- They will prepare and maintain technical documentation and work closely with QA teams to support testing and issue resolution.
- Knowledge of DevOps, CI/CD processes, and cloud-based deployments is preferred.
- Knowledge of AI tools for Development, coding, review of Codes is preferable.

Required Skills:

- Proficiency in React Native, JavaScript.
- Experience with Android Application, REST APIs, and Git-based version control. Strong understanding of mobile app architectures, backend development, database systems (PostgreSQL/MySQL/MongoDB), and secure coding standards.

Preferred Skills:

- Experience with large-scale or government digital platforms, analytics dashboards, offline data sync, cloud environments, and Agile methodologies.

Education:

- B.Tech, B.E., MCA, M.Sc (IT/CS), or equivalent qualification. Certifications in mobile or full-stack development are desirable.

Key Competencies:

- Strong analytical skills, problem-solving ability, attention to detail, and effective communication. Ability to work independently and within a team while delivering on timelines.

General Conditions applicable to all applicants covered under this advertisement:

1. Those candidates, who are already in regular or contractual employment under Central / State Government, Public Sector Undertakings or Autonomous Bodies, are expected to apply through proper channel or attach a 'No Objection Certificate' from the employer concerned with the application OR produce No Objection Certificate at the time of interview.
2. Digital India Corporation reserves the right to fill all or some or none of the positions advertised without assigning any reason as it deems fit.
3. The positions are purely temporary in nature for the project of Digital India Corporation and the appointees shall not derive any right or claim for permanent appointment at Digital India Corporation or on any vacancies existing or that shall be advertised for recruitment by Digital India Corporation in future.
4. Digital India Corporation reserves the right to terminate the appointments of all positions with a notice of one month or without any notice by paying one month's salary in lieu of the notice period.
5. The maximum age shall be as on the last date of receipt of the applications. Screening of applications will be based on qualifications, age academic record and relevant experience. The designation against the position shall be mapped as per the approved policy.
