Q. 6 Draw an Order granting or refusing a bail on an application filed by the applicant - accused. 10

FIR being CR III No. 315/2018 came to be registered against the applicant - accused and co-accused for offence under Sections 66(1) (b), 85, 84, 68, 65(a)(e), 116(b) and 81 of the Gujarat Prohibition Act. Investigation is pending. FIR briefly alleges that the accused including the applicant - accused at the mentioned date, time and place were caught drinking liquor and smoking hukka during raid at a party along with muddamal of foreign liquor bottles, beer bottles, mobile phones, articles of party and a car and thereby committed the offence under the aforementioned sections of the Prohibition Act.

It is argued on the side of applicant - accused that no offence as alleged in the FIR is made out for the offence under sections 65(a), 65(e), 68, 84 and 85 of the Prohibition Act. It is argued that co-accused are released on regular bail.

It is argued on behalf of the prosecution that the investigation is pending. The case of the applicant-accused cannot be compared with the case of co-accused as the co-accused did not have any antecedents whereas the applicant - accused has antecedent of this nature and is on bail in connection with the conviction mainly u/s 304(Part - 2) of Indian Penal Code against which Criminal Appeal is pending. It is further argued on the side of prosecution that it is found from FSL Report that blood sample of the applicant is tested positive with alcohol content.
